Technical Documentation

SEAL-IT® 515 ULTRA-WIPES

Composition

Aqua, Alcohol.denat, C9-11 Pareth 8, Dimethyl Glutarate, Polysorbate20, Dimethyl Succinate, Didecyldimethylammonium, Chloride, Dimethyladipate, Cocamidopropyl Betaine, Isopropyl Alcohol, Aloe barbadensis Leaf Juice, Perfume, DMDM Hydantoin, Iodopropynyl, Butylcarbamate, Limonene, Citral, Hexyl Cinnamal.

Active ingredients: 1 kg of liquid contains 10 g of alcohol denat and 7.5 g of didecyldimethylammonium chloride.

Application Conditions

- Unscrew the cover on top of the canister.
- Remove sealing plastic.
- Then pull the first cleaning cloth off the roll and feed it through the lid opening outward.
- Then screw the lid back on the canister. The packaging is ready to use.
- If necessary, pull a new cleaning cloth through the opening and tear it off.
- Remove residues/traces if necessary with a damp cloth.
- Clean spilled surfaces immediately for best results.

Safety and Health

Product safety data sheet is available upon request.

Warranty and Liability

Connect Products B.V. guarantees that its product, within the shelf life, is in accordance with the specifications. The liability will never exceed what is determined in our general terms and conditions of sale and delivery. In no case is the seller liable for any consequential damage. The information provided is the result of our tests and experience and is of a general nature. However, it does not imply any liability. It is the responsibility of the user to determine by his own tests whether the product is suitable for the application.
